VSSA's team of NRA Certified
Instructors and Training Counselors
will conduct these courses.

All are experienced reloaders that have
collectively manufactured tens of
thousands of metallic cartridges and
shotgun shells.

Some of the VSSA team includes the
principal author of the NRA Basic
Reloading courses and those involved
in their development.

The NRA Basic Metallic Cartridge and Shotgun Shell Reloading Courses expose students to the fundamentals of reloading. The courses are designed to enable shooters with little or no prior experience in reloading to acquire the necessary knowledge, skills, and attitude to produce safe, consistent, and accurate reloaded ammunition.

The courses include lessons on:

- Reloading and Reloading Safety
- Components
- Reloading Manuals and Reloading Data
- Reloading Equipment
- The Reloading Process
- Basic Reloading Practical Exercise (Students will set up, operate reloading equipment, and reload ammunition.)
- Course Review and Examination

The course materials include:

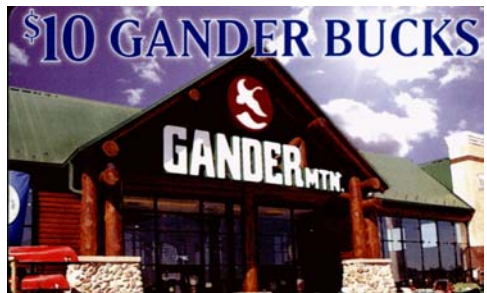

- The NRA Guide to Reloading
- Safety Brochures
- Reloading Data Manuals
- Course Completion Certificate

Courses will be conducted in the Lodge at each Gander Mountain store in Virginia.

Gathering period will begin at 9:30 a.m. in the Gander Mountain Lodge. The courses will begin at 10:00 a.m. and end at 6:30 p.m. There will be a break for lunch.

Courtesy of Gander Mountain’s management, each participant will receive Gander Bucks, good for \$10 off any purchase of \$50 or more.
